

# Application for Membership

## South Orange County Gem & Mineral Society (SOCGEMS)

Founded in 1962, the South Orange County Gem and Mineral Society (SOCGEMS) is a non profit educational community resource dedicated to the appreciation of gems, rocks, minerals, fossils and all facets of earth science, through the educational programs, field trips, the collection and identification of minerals and fossils, and the cutting and polishing of gem stones.

Membership in this Society is open to anyone interested in mineralogy, gemology, and related educational subjects. Regular meetings are held the 3rd Wednesday of each month at 7:30 pm except December because we have a Christmas party rather than our regular General Meeting. Our General Meeting is held in the Multipurpose room at the San Clemente Community Center at 100 N. Calle Seville, San Clemente, CA 92673 (Next to the public library).

All information for club administrative purposes only and is not made available outside.
